

## Transition Professional Development Plan

Name: \_\_\_\_\_

Instructions: After some self-evaluation and self-reflection, consider your goals in the following four areas to improve your professional practice regarding Indicator 13, beginning with yourself and moving outward to a PLN (Professional Learning Network).

- How or what will you change regarding your responsibilities for Indicator 13?
- How or what will you change regarding how the IEP Team ensures compliance for Indicator 13?
- What can you do to affect change in how your district addresses Indicator 13?
- What can you do to develop or improve your involvement in a professional learning network that will impact your ability to implement Indicator 13?
