

SAVE THE DATES!

Idaho SESTA (Special Education Support and Technical Assistance) provides high quality statewide professional development opportunities to special education teachers, staff members, and special education administrators to build capacity and bring educators together to impact positive outcomes for children with disabilities. During 2016 – 2017 Idaho SESTA Instructional Coordinators and Behavioral Coordinators will provide the following opportunities for professional development in key areas:

New Special Education Teacher Training (NSETT) 1– New Special Education teachers will increase knowledge and understanding of the special education process, components of a high-quality IEP, and availability of statewide resources to improve student outcomes. A must for every new teacher!

Boise – 09/20/16 Nampa – 09/22/16 Moscow – 09/29/16
Twin Falls – 09/15/16 Idaho Falls – 09/12/16 CDA – 09/26/16

New Special Education Teacher Training (NSETT) 2– Part two of the New Special Education Teacher Training will increase knowledge and application of skills with the special education process for writing a high-quality IEP and utilizing statewide resources. Each participant will walk away with a complete, compliant IEP.

Boise – 01/24/17 Nampa – 01/26/17 Moscow – 02/02/17
Twin Falls – 01/20/17 Idaho Falls – 01/18/17 CDA – 01/31/17

Specific Learning Disability Training – Participants will increase their understanding of the eligibility process for SLD in order to accurately determine eligibility and plan individualized instruction, based on the student’s strengths and needs. Trainers will introduce newly revised guidance documents and tools that will support teams in the eligibility determination process.

Boise – 10/11/16 Nampa – 10/13/16 Moscow – 10/27/16
Twin Falls – 10/21/16 Idaho Falls – 10/19/16 CDA – 10/25/16

Developing a High-Quality IEP – This training is for Special Education teachers with two or more years of experience will practice developing a high-quality IEP. Participants will have an opportunity to review their own documents to identify the thread of information from Referral to IEP, and learn about availability of new statewide resources to improve student outcomes!

Boise – 10/05/16 Nampa – 09/23/16 Moscow – 09/30/16
Twin Falls – 9/16/16 Idaho Falls – 09/13/16 CDA – 09/27/16

Behavior Foundations Academy – This 4 part training will assist schools, districts, and regions to achieve accurate and effective practices for students with problem behavior. **Part 1 – Fall and Spring Regional trainings** will focus on practical applications of evidence-based practices, FBAs, and effective behavior support plans. **Part 2 – Open call-in office hours** monthly with expert behavioral consultants. **Part 3 – Monthly Just-in-Time webinars** on instructional strategies or tools related to the Foundations Academy training content. **Part 4 – Intensive behavioral coaching support** for specific or complex student or program needs. Participants can access all or part of the behavior skills support system.
