

Medicaid School-Based Services

Occupational Therapy

Physical Therapy

Speech/ Audiological Therapy

(Effective July 1, 2016)

IMPORTANT

Medicaid providers are required to provide services in accordance with all applicable federal laws and provisions of statutes, state rules, and federal regulations governing the reimbursement of services and items under Medicaid in Idaho. This training is to assist schools with understanding rules for the specific programs and is **not** all inclusive of the rules and other program notices.

The **school district** is responsible for knowing the applicable IDAPA rules, provider agreement, provider handbook and provider information releases and other program notices.

Plan of Care

- **Plan of Care.** All therapy is provided under a plan of care that is established prior to beginning treatment. The plan of care must be signed by the person who established the plan. The plan of care must be consistent with the therapy evaluation and must contain, at a minimum:
 - Diagnoses;
 - Treatment goals that are measurable and pertain to the identified functional impairment(s); and
 - Type, frequency, and duration of therapy services.
- **Therapy Services.** Occupational therapy, physical therapy, and speech-language pathology services are all considered to be therapy services. These services are ordered by the participant's attending physician, nurse practitioner, or physician assistant as part of a plan of care.

Therapy Physician Orders

- The Department will pay for therapy services rendered by a therapy professional if such services are ordered by a physician, nurse practitioner, or physician assistant as part of a plan of care. All therapy must be ordered by a physician, nurse practitioner, or physician assistant. Such orders must include at a minimum, the service to be provided, the frequency, and, where applicable, the duration of each therapeutic session.
- In the event that services are required for extended periods, these services must be reordered as necessary, but at least every ninety (90) days for all participants with the following exception:
 - Therapy for individuals with long-term medical conditions, as documented by physician, nurse practitioner, or physician assistant, must be reordered at least every three hundred sixty-five (365) days.

16.03.09.733

Therapy Physician Orders (cont.)

- These orders must be signed and dated by the physician or other practitioner of the healing arts.
 - (IDAPA 16.03.09.850.05: **Practitioner of the Healing Arts**. A physician's assistant, nurse practitioner, or clinical nurse specialist who is licensed and approved by the state of Idaho to make such recommendations or referrals for Medicaid services.)
- These orders must be obtained prior to the provision of services

Occupational Therapy (OT)

- IDAPA
 - 16.03.09.730 – 739 (Medicaid Therapy Rules)
 - 16.03.09.850 – 859 (Medicaid School-Based Rules)
 - 24.06.01 (Bureau of Occupational Licenses Rules)
- Occupational Therapy services are:
 - Provided within the scope of practice of licensed occupational professionals
 - Necessary for the evaluation and treatment of impairments, functional disabilities, or changes in physical function and health status: and
 - Improve the individual's ability to perform those tasks required for independent functioning

IDAPA 16.03.09.730.04

OT Professional Qualifications

A person licensed by the State Board of Medicine to conduct occupational therapy assessment and therapy in accordance with the Occupational Therapy Practice Act, Title 54, Chapter 37, Idaho Code, and IDAPA 24.06.01, “Rules for the Licensure of Occupational Therapists and Occupational Therapy Assistants.”

16.03.09.734.01

OT Assistants

- The services of occupational assistants used when providing covered therapy benefits are included as part of the covered service. These services are billed by the supervising therapist. Therapy assistants may not provide evaluation services, make clinical judgments or decisions, or take responsibility for the service. The therapist has full responsibility for the service provided. Therapy assistants act at the direction and under the supervision of the treating therapist and in accordance with state licensure rules.
- Supervision of an occupational therapist assistant by the occupational therapist must be done according to the rules of the applicable licensure board.

16.03.09.730 - 739

OT Paraprofessional Qualifications

- **Aides.** Aides do not provide skilled occupational therapy services. An aide is trained by an occupational therapist or an occupational therapy assistant to perform specifically delegated tasks. The occupational therapist is responsible for the overall use and actions of the aide. An aide first must demonstrate competency to be able to perform the assigned, delegated client and non-client tasks. The occupational therapist must oversee the development, documentation, and implementation of a plan to supervise and routinely assess the ability of the occupational therapy aide to carry out non-client and client-related tasks. The occupational therapy assistant may contribute to the development and documentation of this plan. An aide shall function only under the direct line of sight supervision of an occupational therapist or occupational therapy assistant.
 - School must have documentation of all supervision

24.06.01

Physical Therapy (PT)

- IDAPA
 - 16.03.09.730 – 739 (Medicaid Therapy Rules)
 - 16.03.09.850 – 859 (Medicaid School-Based Rules)
 - 24.13.01 (Bureau of Occupational Licenses Rules)
- Physical Therapy Services are:
 - Provided within the scope of practice of licensed physical professionals
 - Necessary for the evaluation and treatment of physical impairment or injury by the use of therapeutic exercise and the application of modalities that are intended to restore optimal function or normal development; and
 - Focus on the rehabilitation and prevention of neuromuscular, musculoskeletal, integumentary, and cardiopulmonary disabilities.

PT Professional Qualifications

- **Physical Therapist, Licensed.** A person licensed by the Physical Therapy Licensure Board to conduct physical therapy assessments and therapy in accordance with the Physical Therapy Practice Act, Title 54, Chapter 22, Idaho Code, and IDAPA 24.13.01, “Rules Governing the Physical Therapy Licensure Board.”
 - Physical Therapy does not allow a paraprofessional level to work with students.

PT Assistants

- The services of physical therapy assistants used when providing covered therapy benefits are included as part of the covered service. These services are billed by the supervising therapist. Therapy assistants may not provide evaluation services, make clinical judgments or decisions, or take responsibility for the service. The therapist has full responsibility for the service provided. Therapy assistants act at the direction and under the supervision of the treating therapist and in accordance with state licensure rules.
- Supervision of physical therapist assistants by the physical therapist must be done according to the rules of the applicable licensure board.

Speech-Language Pathology

- IDAPA
 - 16.03.09.730 – 739 (Medicaid Therapy Rules)
 - 16.03.09.850 – 859 (Medicaid School-Based Rules)
 - 24.23.01 (Bureau of Occupational Rules)
- Speech-Language Pathology Services are:
 - Provided within the scope of practice of licensed speech-language pathologists; and
 - Necessary for the evaluation and treatment of speech and language disorders which result in communication disabilities; or
 - Necessary for the evaluation and treatment of swallowing disorders (dysphagia), regardless of the presence of a communication disability.

16.03.09.730.06

SLP Professional Qualifications

- **Speech-Language Pathologist, Licensed.** A person licensed by the Speech and Hearing Services Licensure Board to conduct speech-language assessments and therapy in accordance with the Speech and Hearing Services Practice Act, Title 54, Chapter 29, Idaho Code, and IDAPA 24.23.01, “Rules of the Speech and Hearing Services Licensure Board,” who possesses a certificate of clinical competence in speech-language pathology from the American Speech, Language, and Hearing Association (ASHA) or who will be eligible for certification within one (1) year of employment.

16.03.09.734.03

SLP Paraprofessional Qualifications

- **Paraprofessionals.** The schools may use paraprofessionals to provide occupational therapy, physical therapy, and speech therapy if they are under the supervision of the appropriate professional. The services provided by paraprofessionals must be delegated and supervised by a professional therapist as defined by the appropriate licensure and certification rules. The portions of the treatment plan that can be delegated to the paraprofessional must be identified in the IEP or transitional IFSP.
 - School must have documentation of all supervision
- **Speech-Language Pathology.** Refer to IDAPA 24.23.01, “Rule of the Speech and Hearing Services Licensure Board,” and the American Speech-Language-Hearing Association (ASHA) guidelines for qualifications, supervision and service requirements for speech-language pathology. The guidelines have been incorporated by reference in Section 004 of these rules.

16.03.09.855.14

SLP Supervision

- Supervision must be provided by an SLP professional as defined in Section 734 of this chapter of rules.
- The professional must observe and review the direct services performed by the paraprofessional on a monthly basis, or more often as necessary, to ensure the paraprofessional demonstrates the necessary skills to correctly provide the SLP service.
