

**Determining Education Environments for 3-5 olds**  
**Based on new federal reporting categories in effect for 2010-2011 reporting year**

**\*\* A REGULAR EARLY CHILDHOOD PROGRAM** is a program that includes a majority (at least 50%) of non-disabled children (i.e., children not on IEPs). Regular Early Childhood Programs may include but are not limited to:

- Head Starts
- Kindergartens
- Preschool classes offered to an eligible pre-kindergarten population by the public school system
- Private kindergartens or preschools
- Group child care centers
